If you ingest Amanita muscari you will not be permitted to leave the event unless you have your emergency contact person pick you up. You are expected to comply with this until after 12 noon and leave at your own discretion after that. Using amanita means you agree to be kept at the event until you are sober or unless someone picks you up in case of emergency. Do not plan to leave the venue until the following day.

Initial \_\_\_\_\_

Amanita muscaria is provided as a courtesy and participant agrees to use it at their own discretion. Amanita muscaria can be difficult in high doses, participant agrees to use mushrooms responsibly when in the event or on the premises. Amanita muscaria is dangerous to consume in conjunction with alcohol, benzodiazepenes, and other GABA drugs like Lyrica, sleep medications, and opiate based painkillers including natural ones. Participant agrees not to use amanita muscaria if they have consumed any of these substances in the past week. If you take any of these substances, please see a health care professional before stopping any medication. Cannabis has been seen to reduce the effects of amanita. This is not an exhaustive list and participant agrees that they use A.M. at their own discretion. If you have a history of bipolar, mania or narcissism, do not attend this ceremony as psychotic episodes can be triggered. No one at this venue can give advice on medications or the use of A. Muscaria and its effects vary widely. It is being provided as a courtesy like an open bar. While this is not a high dose event but a macro dose event, It is expected that you will use wisely and not become a liability. Emergency services will be called at the discretion of the facilitators at your expense.

Participant agrees to hold harmless, the venue, facilitator and providers of the event, in the case of adverse reactions to amanita muscaria. Please do not bring illegal substances to the event. Not everyone will get the same experience with amanita. Come with an open heart and mind and allow the medicine to work in the way it sees fit.

Please bring a drum and if you don't have one, let the event organizer know.
